

# WHY DO THESE MILITANT KHAWĀRIJ LOOK DOWN ON THE REST OF MANKIND AS WORTHLESS SCUM TO BE KILLED MERCILESSLY?

Militant khawarij believe themselves to be the only ones left with true faith in God, and everyone as infidels, or apostates whose life are worthless as they see themselves as God’s chosen people who must punish all the “enemies of God”, cleanse the earth by mass killing of other “Muslims” and non-Muslims alike. That is why they can stroll down a street and open fire on every man, woman and child in sight without a second thought or any sense of compassion. They see others as mere fuel for Hellfire whilst only them having been created for Paradise!

**Al-Lālikā’ee (died 418 AH) wrote:**  
**Abul-’Abbās Muhammad Ibn Ya’qoob said:**  
**Two of the Khawārij were making tawāf of the Ka’bah when one said to the other:**  
**“No one from this creation will enter into paradise except for me and you alone!”.**  
**His friend said: “But the expanse of Paradise is as great as that of the heavens and earth! And it was made just for you and me??”**  
**He replied: “Yes.”. So he said: “No, it must be just for you!!”. So he left the methodology of the Khawārij and was guided to the truth.**

(Sharh Usool I’itiqādi Ahlis-Sunnati wal-Jamā’ah of Imām Al-Lālikā’ee, 7/1307)

The Khawārij of today are no different: a chief Khārijīte ideologue, the Jordanian Abu Muhammad Al-Maqdisee al-Barqāwee said: **“Today the whole of the world is a land of disbelievers, even Makkah and Madeenah!”** (*Thamarāt al-Jihād*, p.83)  
By this he means that their blood is permissible to be spilled till these lands are “returned to Islam”, even Makkah and Madinah! The Khawārij are people who have have no mercy, so they will not be shown mercy, just as the Prophet of Allāh, Muhammad (صلى الله عليه وسلم) said:  
**“Whoever does not show mercy to people, Allāh will not show mercy to him.”** (Muslim, no. 2319)  
These Khawārij are merciless killers who have no compassion, they kill innocent, unarmed civilians without any regard for life. They do not judge by Allah’s Laws, they are a law unto themselves and they have no religion except that which the devil himself has invented for them – they murder Muslims and non-Muslims indiscriminately. **They burn Muslims alive in cages, and then claim piety for themselves!**  
Ibn Al-Jawzī (died 597AH) said: **“They permitted the killing of children, yet they did not allow eating of fruits from trees without first paying for it! They tired themselves out with worship, and would frequently stay awake through the night in devotion, yet they raised their swords against other Muslims. Even Satan himself could not have imagined the extent of their evil!”** (Talbīs Iblīs, p. 91) Only a person who is extremely ignorant, or extremely psychotic, or extremely stupid or all three of these combined would support such a movement.

In the end, the only response to their vile ideology is to wage war against them just as Ibn Taymiyyah (d. 728H) mentioned centuries ago, and the fourth Caliph Alī Ibn Abī Tālib (d. 40AH) commanded centuries before him before they assassinated him. The Prophet (صلى الله عليه وسلم) said about them: “They will exit out of the religion just like an arrow shoots through its target”, so they have exited the religion that the Prophet Muhammad came with. He (صلى الله عليه وسلم) himself said, **“Indeed I would wipe them out just as Allah wiped the tribe of ‘Ād.”** The Messenger (صلى الله عليه وسلم) **never** uttered such strong words against any group of people as he did against the militant Khawārij which shows us the great danger of leaving these people alone to spread tribulation. So the Muslims are commanded to unite behind the Prophetic Sunnah to combat this cancer that has entered the Muslim *ummah* and endangers its well-being. When you look at them, do not consider them as followers of the noble and merciful Prophet of Islam – see them for what they are, renegades who seek to damage and spoil the true Islamic faith.

**Yet we see these (self claimed) “shaykhs” supporting these Khārijite renegades, attributing this filth to Islam by claiming the Dogs are establishing “Islamic Sharia”.**

**Adam Nishan All Adam said:**  
Regarding the coalition made against ISIS by America and other than them from disbelievers: As I have explained about ISIS before, even if they have within them extremist Takfiri principles, the governance (rule of law) by ISIS and their controlled states are far better than that of Rafida Shia (governance) or (the governance) by Nusairis of Syria or (the governance of) **those who oppose Islamic sharia law or the rulers of Muslim states who works to eradicate Islamic Law.** Because they (the ISIS) are Muslims and they are implementing Allah's Sharia'. So I support them (ISIS) against the enemies of Islam, America and UK and all other disbelieving nations. At any reason, those who openly extinguish the light of Islam and those disbelievers who eradicate Islamic Shaira are by worse in every way. Therefore, against (IS) Muslims, anyone who Assist a country like America, which is bluntly trying to abolish the Sharia from earth, are themselves out of the fold of the religion (of Islam). And such assistance is directly aiding disbelievers to eradicate Islam"

**Islam is free from these psychopaths.**

Anyone acquainted with the literature of the Khārijite sect and how they evolve, will understand that he is making takfeer of the Muslim Rulers by this statement of his **“adhi islaamdheenuge shareeethaa idhikolhu hadhaa e sharee'aiy natthaalan masakkaiky kuraa islaamee qaumu thakuge verinnah vure”.**

Its an irony why the likes of these from **Jamiyyath Salaf** are appointed in the society to ruin our youth.

for a in-depth understanding of the modern day roots of this poisonous ideology and how they have evolved , refer to
